

# Viewing Guide

## On Your:

### TV

(With KVH Link Set-top Box)

### Computer

(Any PC or Mac)

### Android™ Phone or Tablet

### Apple iPhone® or iPad®

## Connect with:

### KVH Link Set-top Box

Use the TV remote to select the HDMI input that is connected to the Set-top Box. Then press the power button on the Set-top Box remote – you should see a blue light on the Set-top Box. Once the KVH Link screen appears, use the Set-top Box remote to navigate the menu and start enjoying the service.

### Web Browser kvhlinkhub.com

Connect to the crew network onboard, open your Google Chrome™ or Firefox® web browser, and visit **kvhlinkhub.com** (*no Internet access required*) to start enjoying the service.

*Windows 7+ or MacOS 10.10+ required*

### KVH LinkHUB App or Web Browser

First download the free KVH linkHUB app from the Google Play™ Store (*Internet access required*). Then connect to the crew Wi-Fi network onboard and launch the app to start enjoying the service. As an alternative to the app, you can also use Google Chrome to browse to **kvhlinkhub.com** on your Android device.

*Android 6+ required*

### KVH LinkHUB App

First download the free KVH linkHUB app from the Apple App Store® (*Internet access required for app download*). When onboard, connect to the crew Wi-Fi network and launch the app to start enjoying the service.

*iOS 10+ required*

*Note: In all cases, your device must be connected to the crew network that is connected to the KVH linkHUB Content Server*

**KVH Link is on**

Wi-Fi network

This network may require a login. If network is not available or you do not have access, contact your ship's system administrator.
