ONE

Intelligent Hybrid Connectivity as a Service

TRACNET™ H30 / H60 / H90
TRACPHONE® V7HTS

One unified network.
One smart terminal.
One all-inclusive experience.

Hybrid Maritime Communications for Fleets Made Simple

AgilePlans ONE delivers everything your fleet needs for better business at sea – with no CAPEX and no multi-year commitment. One affordable monthly subscription delivers the speed and reliability of the KVH ONE® global network, hybrid TracNet terminals, plus subsidized shipping and installation, and zero maintenance costs.¹

AgilePlans ONE with TracNet gives your fleet a competitive advantage with:

- ✓ KVH's global Ku-band satellite network, powered by Intelsat
- ✓ 5G/LTE cellular service in 150+ countries²
- ✓ Compatibility with shore-based Wi-Fi
- ✓ Intelligent, automatic network switching based on service availability, costs, and the quality of data transfer
- ✓ Optional manual switching and use of user-supplied SIMs
- ✓ Daily news from home delivered in 20+ languages plus real-time sports stats

Prefer a VSAT-only solution? Ask about AgilePlans ONE with the award-winning TracPhone V7HTS.

Visit kvh.com/agileplans for complete TracNet hybrid connectivity solution details and specifications

¹ KVH supports AgilePlans installations and maintenance in major ports worldwide. Visit kvh.com/agileports for complete details on shipping, installation, and maintenance policies.

²Where available and compatible with the KVH- or user-supplied SIM cards and service

Choose the KVH communication systems that are best suited to each of your vessels or your fleet as a whole.
