

KVH AgilePlans® Regional Plan Rate Sheet

Effective 1 June 2020

AgilePlans Regional offers a comprehensive solution that includes high-speed connectivity with unlimited email and texting via the mini-VSAT BroadbandSM HTS network and KVH's award-winning, ultra-compact terminals. With AgilePlans Regional you will benefit from no overage charges, zero maintenance costs, free standard installation, advanced cybersecurity protection and training, and global technical support – all provided to your fleet with no ownership expenses or costly upfront capital investment. AgilePlans Regional airtime plans are designed to offer the flexibility your fleet requires.

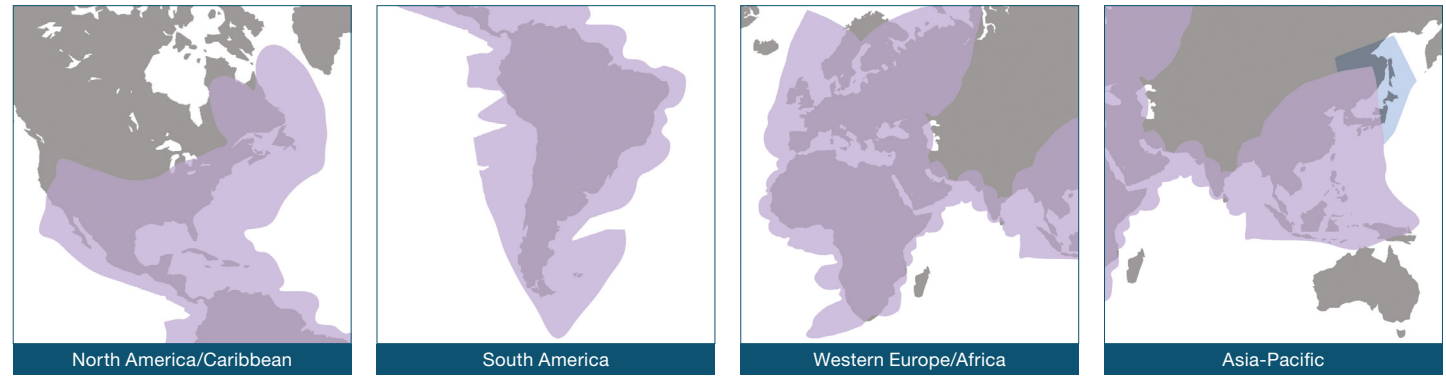

All AgilePlans Regional Plans Offer:

- TracPhone® V3_{HTS} hardware, choice of data plan, shipping, installation, cables, cybersecurity training, and KVH OneCare.™
- A fixed monthly price; when your monthly high-speed data is consumed, the TracPhone V3_{HTS} automatically shifts to the shaped plan with unlimited usage and no overage charges.

AgilePlans Regional General Terms

- All prices are in USD and do not include any taxes or fees that may apply.
- Published data speeds are rate plan maximums and may vary by region and under different conditions.
- All services and plans are subject to the [KVH Master Services Agreement](#).
- KVH Authorized Installation Plan is required. A \$250 one-time fee applies.
- Subscription period is month-to-month and automatically renews on a monthly basis.
- When the data allocation for the high-speed rate plan has been consumed, service will automatically shift to the reduced data rate shaped plan with no overage charges until the end of the calendar month. The high-speed data allocation will reset at the beginning of each month.
- Plan upgrades may be made and will go into effect at any time. Plan downgrades go into effect at the start of the next month. For complete details on plan changes, refer to the [Airtime Rate Plan Change/Suspension Policies – HTS-series](#) at www.kvh.com/mvbcustomercenter.
- If a vessel leaves the AgilePlans Regional service area, it may lose data and voice connectivity until it returns to the service area.
- Service suspension is permitted and is available in 1-month increments with no minimum or maximum limit. VoIP-only Suspension Plan is required. \$299 monthly fee applies, with a suspension and reactivation fee of \$100 for each event. See [Airtime Rate Plan Change/Suspension Policies – HTS-series](#) at www.kvh.com/support/agileplans-resources for complete details.
- One voice line with KVH-assigned phone number is provided at no charge. User-specified voice line phone numbers are \$30/mo.
- Virtual local phone numbers can be added for a monthly fee of \$30 per number (5 max.) where available and are subject to in-country regulations. The list of available area/city codes worldwide can be found at www.kvh.com/mvbcustomercenter.
- Outgoing calls and faxes are subject to long distance charges. See details on the [AgilePlans Regional – Enhanced Voice Service Long Distance Rate Sheet](#) at www.kvh.com/support/agileplans-resources.
- Global Static IP Service is available for \$29/month per IP address. Visit www.kvh.com/staticip for details. Setup fee applies.
