

KVH Elite™

Unlimited VSAT Streaming Service for Yachts

Highlights

- Dedicated VSAT bandwidth and unlimited data to support HD-quality video streaming and more for onboard mobile devices and smart screens
- Available as a weekly or monthly airtime plan with no overages
- Easy over-the-air activation and support from KVH Superyacht Group
- Fully supported by KVH's standard TracPhone V7HTS and V11HTS antennas with no modifications necessary
- Download speeds as fast as 10 Mbps for TracPhone V7HTS and 20 Mbps TracPhone V11HTS
- Crystal-clear, prioritized VoIP service for exceptional call quality
- Full access to the KVH TracPhone HTS-series dual-channel configuration, enabling High-speed data for owners and guests via KVH Elite while crew and operations connectivity can be managed via the Unlimited Use data channel
- Service and support covered by KVH OneCare™

Dedicated bandwidth to deliver HD-quality streaming

Enjoy the superior onboard Internet experience you and your guests deserve with the KVH Elite unlimited VSAT streaming service. KVH Elite delivers HD-quality, dedicated bandwidth with no overages or usage limits, ideal for the most sophisticated yachts and charters. Let users onboard experience a premium Internet experience with the apps they rely on, including:

- Streaming popular HD movies, TV content, and music
- Real-time communications and entertainment
- Social media
- Email and messaging
- Web browsing

KVH Elite is brought to you with the award-winning KVH TracPhone® V7HTS and V11HTS systems and the mini-VSAT Broadband™ HTS network

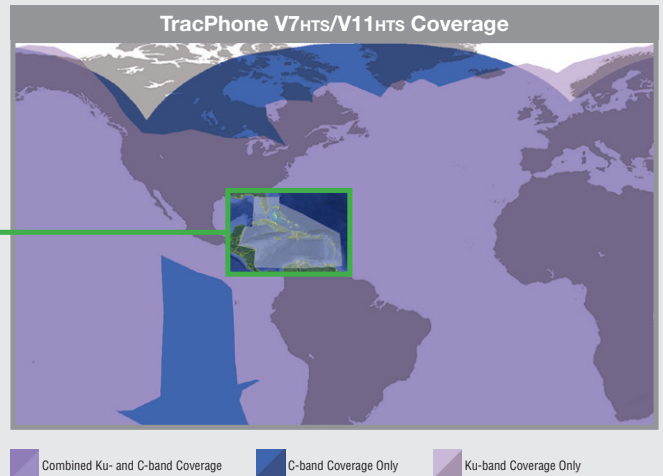

Simply choose an on-demand KVH Elite Weekly or KVH Elite Monthly package for those times you need it. And when you aren't enjoying KVH Elite, you can take full advantage of KVH's outstanding global HTS service and flexible airtime plans wherever your adventures take you, all with the same antenna.

KVH Elite offers complete Caribbean coverage (including Florida and the eastern Caribbean) with Mediterranean coverage expected to follow in 2020.
