Weekly or monthly unlimited HD-quality streaming

Enjoy the superior onboard Internet experience you and your guests deserve with KVH Elite unlimited streaming service. KVH Elite delivers high-speed bandwidth with no overages or usage limits, ideal for the most sophisticated yachts and charters. Enjoy connectivity offshore, just like at home with all the apps you rely on, including:

- Streaming popular HD movies, TV content, and music
- Real-time communications and entertainment
- Social media
- Email and messaging
- Web browsing, and much more

Mediterranean Service plus contiguous KVH Elite coverage from Canada to the Caribbean

KVH Elite service is offered in the Mediterranean (including the Black Sea and the Adriatic Sea), the Caribbean (including Florida and the eastern Caribbean), and Eastern North America (including the Canadian Maritimes, New England, and northern Florida) for contiguous coverage from Canada to the Caribbean. Limited reservations are available for all regions. Email elite@kvh.com to reserve your service dates today!

KVH Elite is powered by the award-winning TracPhone® and new TracNet™ systems

KVH Elite is compatible with KVH's TracPhone V7_{HTS} and V11_{HTS} antennas, as well as the new TracNet H60 and H90 hybrid antennas, with no modifications necessary. Simply choose an on-demand KVH Elite Weekly or KVH Elite Monthly package for those times you need it. And when you aren't enjoying KVH Elite, you can take full advantage of KVH's outstanding global HTS service with flexible airtime plans and unlimited data suspensions wherever your adventures take you, all with the same antenna.
