

### Unlimited Streaming

Owners and guests can use their favorite apps for streaming popular HD movies, TV content, and music; real-time communications and entertainment; social media; and more.

KVH Elite ensures that yacht owners, charter guests, and crew enjoy the same superior Internet they receive at home while cruising the Caribbean, Mediterranean, and eastern seaboard of North America. KVH Elite unlimited VSAT streaming service delivers high-speed prioritized bandwidth with no overages or usage limits. Owners and guests can use their favorite apps for streaming popular HD movies, TV content, and music; real-time communications and entertainment; social media; and more.

KVH also brings the power, versatility, and value of KVH Elite to non-KVH VSAT antennas thanks to the KVH ONE OpenNet Program.

### Bring KVH Elite to Your Non-KVH Antenna

Make the switch to the KVH ONE high-throughput satellite (HTS) network while still using your existing Intellian, Cobham, and other Ku-band terminals, all with no hardware changes! Then you can enjoy the best-in-class maritime VSAT service and KVH Elite. Visit [kvh.com/opennet](http://kvh.com/opennet) to discover the five easy steps required to make the switch to KVH airtime. If your existing VSAT antenna is not currently supported, our Technical Support Team can add the model to our system configuration. Talk to a member of KVH Superyacht Group today to discover how easy it is to get premier airtime service via KVH's premium global network.

### What airtime subscriptions are needed and what are KVH's contract terms?

KVH Elite service is available on a weekly or monthly basis when you need it. When not using KVH Elite, you must subscribe to a standard KVH HTS airtime rate plan. KVH standard airtime subscriptions are pro-rated monthly and offer an economical VoIP-only Suspension Plan when you are not using the service.

### How fast are the satellite data speeds?

KVH Elite offers prioritized bandwidth and unlimited data suitable for HD-quality video streaming and more for onboard mobile devices and smart screens.<sup>1</sup>

### Pricing & Reservations

#### Caribbean, North America, & Mediterranean (NEW SAVINGS FOR ALL REGIONS!)

Monthly	Weekly	Daily*
<del>\$7,000</del>	<del>\$2,000</del>	
\$5,500	\$1,500	\$500

\* Rate after 7 days

Visit [kvh.com/opennet](http://kvh.com/opennet) and [kvh.com/elite](http://kvh.com/elite) for details

<sup>1</sup>Data rates may vary in different regions and under different conditions KVH Elite speeds vary based on a variety of factors, including vessel location, weather, network conditions, etc. One-meter non-KVH antennas offer a KVH Elite maximum download speed of 25 Mbps, typical speed of 15 Mbps, and a committed information rate of 6 Mbps. Non-KVH 60 cm and 85 cm antennas offer a KVH Elite maximum download speed of 15 Mbps, typical speed of 10 Mbps, and a committed information rate of 6 Mbps.

# KVH Elite – Unlimited Streaming Service

**KVH Elite is available in the following regions:**

\*Seasonal availability, contact [elite@kvh.com](mailto:elite@kvh.com) for details.

**Please Note!** If your vessel travels outside of the KVH Elite coverage area, your account will be reverted to your standard high-speed airline plan.

## Can I switch back and forth between my existing airline service and KVH ONE global HTS airline service?

No. Following the migration of your non-KVH antenna to the KVH ONE OpenNet Program, your antenna will only work with KVH's global HTS network, which allows you to switch easily between Elite service and Standard Service and offers flexible month-to-month contract terms, unlimited plan changes, and an economical suspension plan.

## What service and support will be available?

Your marine electronics dealer will be responsible for any technical support for the non-KVH VSAT antenna operations. While KVH is not responsible for troubleshooting, warranty, or other repairs to non-KVH antennas, we will provide warranty service for any KVH-supplied equipment and assist the dealer as needed for service support.
