Priority Connectivity for Every Stationary Location with KVH’s Premier Starlink Hardware and Service Solution

Starlink and KVH make it easy to expand your network, offering seamless, high-speed connectivity for stationary solutions—even in areas unsupported by terrestrial communications. With Starlink Priority plans, enjoy speeds of up to 220/25 Mbps (down/up) for reliable, fast Internet wherever you need it most.

Unmatched Visibility and Reporting

KVH Manager offers a secure, powerful suite of custom Starlink tools that deliver valuable insight and control over data usage to manage operational and personal use.

Choose the KVH OneCare™ Plan That Meets Your Needs

When you choose Starlink from KVH, you also can rely on KVH’s *live* 24/7/365 technical and airtime support* via KVH OneCare. Pick the coverage that’s right for you, and be confident that KVH is there to keep you always connected.

Industry’s Leading Network and Bandwidth Management

Take control of your Starlink with KVH’s CommBox™ Edge Communications Gateway, the most powerful network and bandwidth management solution available. With a user-friendly cloud-based mobile app, getting the most out of your Starlink and budget has never been so easy.

Get a Complete Starlink Solution	24/7/365 Live Activation	24/7/365 Global Service & Support*	Hybrid Performance with CommBox Edge & Starlink

KVH P/N	72-1048	72-1089	72-1081

Reasons to Choose KVH as your Single Source for a Complete Starlink Solution for Stationary Applications:

Airtime

- 24/7/365 activation for unmatched customer satisfaction
- Complimentary plan choice consultations and activation assistance via starlinkactivations@kvh.com
- Flexible month-to-month contract terms with prorated activations
- Concierge-level customer service proactively working on your behalf to reduce unexpected costs

Ordering and Billing

- Parts, mounts, accessories, terminal kits, in stock with same day shipping available.
- Optional accessories (e.g. mounts, MTA for VoIP) can be ordered at the same time as the selected Starlink terminal kit
- Monthly billing starts when you choose to activate, not when your Starlink terminal ships
- Your monthly service is billed in arrears with choice of automatic or manual payment via credit card, check, or wire transfer/ACH and net 30 terms rather than in advance on your credit card

Warranty and Service

- 24/7/365 live global technical support* via phone and email
- We handle your warranty claims and ship replacement systems in advance to any location you need
- Extended warranty (parts) available with Premier OneCare plan
- Warranty starts at the activation date, NOT the purchase date
