**High-Speed Metered** Plans
Lowest cost, affordable overage rates

Simple, usage-based plans that offer the highest speeds and lowest costs with user-friendly tools for monitoring and controlling data usage.

All Plans Offer:

- Speeds as fast as 6 Mbps/2 Mbps (down/up)\(^3\)
- Unrestricted access to all applications and protocols\(^4\)
- Unique Application Category Control tool to Allow, Restrict, or Block VSAT data usage in eleven application category groups to limit unintended data consumption
- 100% transparency with easy-to-use alerts, system configuration tools, and data allocation controls via the secure KVH Manager suite of tools
- Long distance phone service with simple, single price worldwide
- Includes one phone line for Enhanced Voice Service with the option to add up to five virtual numbers for inbound local calling
- Flexible suspension policies
- Month-to-month service with no annual contract for purchased equipment

STEP 2: Activate the integrated KVH cellular service

Take full advantage of KVH ONE’s global hybrid network covering 150+ countries by choosing to activate the optional integrated KVH cellular service for only $99/month! Visit [kvh.com/lteglobalzones](http://kvh.com/lteglobalzones) for details on per-country cellular data costs.

---

\(^1\) 5G and LTE-A cellular speeds where available and compatible with the KVH- or user-supplied SIM cards and service

\(^2\) Published data speeds are maximum speeds and may vary in different regions and under different conditions

\(^3\) Excludes BitTorrent and similar protocols
Enhanced Voice Service
KVH’s Enhanced Voice Service is a managed solution optimized for satellite communications and fully integrated into the KVH ONE Global HTS Network. Network voice prioritization assures that bandwidth is allocated to the telephone line to ensure a high-quality VoIP connection. With Enhanced Voice Service you will enjoy always-on voice connections and a great suite of convenient features and account management tools that you can access anywhere in the world!

General Terms
• All prices are in $USD and do not include any taxes or fees that may apply.
• All services and plans are subject to the KVH Master Services Agreement.
• HTS network published data rates are rate plan maximums and may vary in different regions and under different conditions. Service reception may be affected by environmental or operational conditions and its uninterrupted availability is not guaranteed.
• No annual contract for purchased equipment; rate plans are month-to-month, automatically renewing on a monthly basis. For leased terminal equipment, the contract term must be concurrent with, and extend to, the end of the lease period.
• VoIP-only Suspension Plan is offered at $50/month with no limitation on the number of months. May not be used as activation plan. Plan change fee does not apply.
• When not in use, cellular service may be suspended independently of the satellite service. A $9.99/month fee applies during suspended months.
• Subscribers are not permitted to use the global HTS service for BitTorrent and all such data-intensive applications and protocols will be blocked by KVH.
• Additional Terms for Unlimited Use Rate Plans
  • When the data allocation for the high-speed rate plan has been consumed, service will automatically shift to the reduced data rate plan with no overage charges until the end of the calendar month. The high-speed data allocation will reset on the first day of the following month.
