

Discounted VSAT Data Plans

50%_{OFF} Unlimited Use Plan 10%_{OFF} High Speed Plan

For subscribers with a KVH hybrid TracNet® or TracPhone® VSAT terminal plus a Starlink or OneWeb terminal

KVH VSAT and LEO Services: a Seamless Solution

Together, KVH and low earth orbit (LEO) services like Starlink and OneWeb offer the most robust connectivity solution afloat, with the speed and affordability of LEO networks and KVH's global reliability, hybrid terminals, 24/7/365 service, and managed services.

This winning combination is better than ever, as KVH is now offering VSAT rate plan discounts for subscribers with a KVH hybrid or VSAT terminal plus a Starlink or LEO terminal. Bring the best in multi-channel, multi-orbit connectivity onboard today, and stay always connected while enjoying big savings on your VSAT airtime plan!

It's easy! To enjoy your VSAT airtime discount:

- Purchase** or provide proof of ownership of a Starlink Performance Kit (Gen 2 or 3) or Intellian Compact or Enterprise OneWeb terminal and a KVH TracNet solution (H30, H60, H90) or KVH TracPhone VSAT solution (V30, V3HTS, V7HTS, V11HTS).
- Activate** your LEO antenna and KVH antenna through KVH, or provide proof of your current activation with KVH.
Note: All Starlink and OneWeb activations and billing must go through KVH.
- Choose** a Starlink Global Priority Service Plan or KVH Explorer OneWeb Data Plan plus a KVH Data Plan.
- Your VSAT airtime savings** will be automatically applied to your bill reflecting the discounts in the table below.

Data Channel Configuration	Data Plan Discount
LEO Service + KVH Unlimited Use Plan	50% off the Unlimited Use Plan
LEO Service + KVH High-speed Plan (Shaped or Metered)	10% off the High-speed Plan
LEO Service + KVH Unlimited Use and High-speed Plan (Shaped or Metered)	50% off the Unlimited Use Plan + 10% off the High-speed Plan
