General Terms

- All prices are in \$USD and do not include any taxes or fees that may apply.
- All rate plans are based on a minimum 1-year contract.
- Published data rates are rate plan maximums and may vary by region and under different conditions. Subscribers will typically experience speeds ship-to-shore that are 70-80% of the published data rates.
- All services and plans are subject to the KVH Master Services Agreement.
- MB charges apply to both mini-VSAT Broadband and Iridium OpenPort service and either service can be applied to the monthly allotment.
- Subscribers are not permitted to change subscription plans but are permitted to suspend service with certain restrictions. For complete suspension details, see KVH mini-VSAT Broadband "Airtime Rate Plan Changes and Suspension Policies" and "Airtime Rate Plan Change/Suspension Form" at: www.kvh.com/mvbcustomercenter.
- A maximum of 5 Global Static IP addresses are available per TracPhone V3IP modem. See www.kvh.com/staticip for details. *Note: Static IPs do not work when connected to the Iridium service.*
- A KVH-assigned voice line phone number is provided at no charge. A user-specified voice line phone number is \$20/month.
- Virtual local phone numbers can be added to TracPhone V3IP for a monthly fee of \$20 per number (5 max) where available and are subject to in-country regulations. The list of available area/city codes worldwide can be found at www.kvh.com/mvbservice.
- On mini-VSAT Broadband service, both incoming and outgoing calls are charged at \$0.49/minute. A few select countries and satellite phone services are blocked. Contact KVH Airtime Services for special rates for these areas and services.
- On Iridium OpenPort service, outgoing calls are charged at \$0.49/minute. Calls to other satellite networks are \$9.99/minute. Incoming calls are not charged to the vessel.
