STEP 2: Add **Enhanced Control** with a KVH CommBox™ Edge Communications Gateway

Take control of your OneWeb with KVH's CommBox Edge Communications Gateway, the most powerful network and bandwidth management solution available. Ask us about deals on CommBox Edge systems and service.

STEP 3: Enjoy **Discounts** on KVH ONE VSAT Service

Already have a KVH VSAT system onboard? Enjoy 50% discounts on Unlimited use plans and 10% discounts on High-speed plans when you add OneWeb.¹

STEP 4: **Expand** Your OneWeb Capabilities with KVH Value-Added Services

Ask us about our great value-added services to take full advantage of your OneWeb solution, including:

- Get crystal-clear voice calling when you add a KVH multimedia terminal adapter (MTA) belowdeck unit (KVH p/n 19-1191) and as many as two VoIP lines. Plus, you can also add as many as ten virtual local numbers (five per line) so it's always a local call from shore.
- For commercial vessels, bring the award-winning KVH Link crew news and entertainment service onboard with the linkHUB OTA media system and content delivery via OneWeb.
- Sign up for a static IP for enhanced networking.

STEP 5: Select the **KVH OneCare® Plan** Right for You

Enjoy the peace of mind that comes with KVH OneCare's live 24/7/365 technical support and global field service. Choose the monthly LEO Global Service and Support Package best suited to your needs and budget and ensure the best performance for vessels and yachts equipped with OneWeb service from KVH.

General Terms

- All prices are in \$USD and do not include any taxes or fees that may apply.
- All services and plans are subject to the KVH Master Services Agreement.
- No annual contract for purchased equipment; rate plans are month-to-month, automatically renewing on a monthly basis. For leased terminal equipment, the contract term must be concurrent with, and extend to, the end of the lease period.
- For complete details on plan changes, see "Airtime Rate Plan Change/Suspension Policies" at kvh.com/airtimeresources.
- First voice line with a KVH-assigned phone number is \$49/month; the second \$39/month. User-specified voice line phone numbers are \$70/month. Voice calling requires a KVH MTA.
- Virtual local phone numbers can be added for a monthly fee of \$39 per number (5 max. per voice line) where available/subject to in-country regulations.
- Both incoming and outgoing calls are charged at \$0.68/minute. A few select countries and satellite phone services are blocked. Contact KVH Airtime Services for special rates for these areas and services.
- Global Static IP Service is available for \$30/month per IP address. Visit kvh.com/staticip for details.
