General Terms

- All prices are in $USD and do not include any taxes or fees that may apply.
- All services and plans are subject to the KVH Master Services Agreement.
- mini-VSAT Broadband published data rates are rate plan maximums and may vary in different regions and under different conditions. Service reception may be affected by environmental or operational conditions and its uninterrupted availability is not guaranteed.
- No annual contract for purchased equipment; rate plans are month-to-month, automatically renewing on a monthly basis. For leased terminal equipment, the contract term must be concurrent with, and extend to, the end of the lease period.
- VoIP-only Suspension Plan is offered at $164/month with no limitation on number of months used. May not be used as activation plan. Plan change fee does not apply.
- Global Static IP Service is available for $30/month per IP address. Visit www.kvh.com/staticip for details.

- Subscribers are permitted to change rate plans at any time; $100 fee applies for each downward plan change, except during the first 90 days of service to allow the subscriber to determine the plan most appropriate for their usage needs. For complete details, see "Airtime Rate Plan Change/Suspension Policies – HTS-series" at www.kvh.com/mvbcustomercenter.
- KVH offers first voice line at no charge and second voice line at $31/month. KVH-assigned voice line phone numbers for either line are provided at no charge. User-specified voice line phone numbers for either line are $31/month.
- Virtual local phone numbers can be added for a monthly fee of $31 per number (5 max. per voice line) where available/subject to in-country regulations. The list of available area/city codes worldwide can be found at www.kvh.com/mvbcustomercenter.
- Outgoing calls and faxes are subject to long distance charges. See details on the "TracPhone V11HTS/ V7HTS – Enhanced Voice Service Long Distance Rate Sheet" at www.kvh.com/mvbcustomercenter.
